Sir

With reference to the last para of the Government Proceedings No. 3596 / Pet 327 dated 22nd August 1894, in the matter of the appeal petition of one Hariappa, late Archak of the Harihareswara Swami Temple at Harihar, I have the honor to observe as follows:—

The person Nilakantapah, whom the petitioner Hariappa wishes to be nominated as his minor grandsons' Gumasta, is the present Archak of the Temple.

2. During my inspection of the Temple in August 1893, the devotees of the place represented to me, that the petitioner Hariapah should be removed from the Archakship as he had contracted some incurable cutaneous disease, which rendered him unfit to worship in the Temple. The petitioner was accordingly removed from office; and when asked at the time whom he would like the office should be given to,

Name.

Hariappa stated that he had no sons and prayed therefore that the office might be given to his brother-in-law Nilakantapah. Nilakantapah was then a School-master in Harihar. As, however, on local enquiry it was ascertained that he was well versed in the Agamaic worship, his nomination to the Archakship as prayed for by the petitioner Hariapah, was sanctioned subject to the condition that he (Nilakantapah) should resign the School-mastership and devote himself entirely to the Temple services. Accordingly, Nilakantapah was appointed to the Archakship formerly held by the petitioner.

3. Subsequently, the petitioner Hariapah changed his mind and petitioned, praying that the Baravard of the Archakship might be registered in the name of his grandson (daughter's son) Mylarapa a minor, his brother-in-law Nilakantapah, who had already been appointed to the office, being regarded as the minor's Gumasta. In this connection I also beg to submit herewith for the information of the Government, letter No. 247/11 dated 25th September 894, since received from the Deputy Commissioner, Chitaldrug district, together with its 3 enclosures viz, (1) Kanarese Statement dated 9th September 894, given by the petitioner Hariapah, (2) a Statement of the same date given by Nilakantapah, present

worshipper

worshipper and (3) Kanarese report No. 178/3 dated 9th September 1894, submitted by the Deputy Amildar, to the Deputy Commissioner of Chitaldrug District.

4. As regards the petitioner Hariapah's request to register the name of his minor grandson as Hakdar for the Archakship in question, I beg to state that, if this prayer be granted, it will be inconsistent with the orders issued, from time to time in the Muzrai Department, prohibiting the registry in the Baravard of unqualified minors as Hakdars for the post during their minority. My great objection to such entertainment of minors is, that it is often found difficult to oust them from office in case they should prove incompetent for the offices for which they have been registered as Hakdars. The hereditary character of such office as Temple Archakship can be conceded only so far as to give preference in filling up vacancies to the members of the last incumbents' family, if they are found duly qualified for the office in question. To go beyond this, will be highly prejudicial to the efficiency of the Temple service.

5 In the particular case under reference, however, I may add that the person Nilakantapah, who is now doing Puja in the Temple, may be recognized as the Gumasta of the petitioner Hariappah himself, so long as the latter is alive though incapacitated for work,

reserving the question of appointing the petitioner's grandson to the Archakship which may be renewed for due consideration by either after the petitioner's demise, or when the minor attains majority and duly qualifies himself for the Office.

~~In conclusion, I beg to add that,~~ From the concluding part of the Deputy Commissioner's letter above read, it would appear that the petitioner Hariapah has fallen out with Nilakantapah, since the presentation of his appeal to the Government, and now wishes to appoint another man in his place. But this we cannot be permitted to do. Nilakantapah was first appointed to the Office only on the express application of the petitioner to that effect, and on that account Nilakantapah had to give up the School mastership formerly held by him. As Nilakantapa's qualification and work in the Temple are well reported upon by the Deputy Commissioner, it is not desirable to remove him from the Archakship in question, though - which we should endeavour to hold as - Hariappa's grandson on the terms of the proceedings para - -

The question of appointing the petitioner's grandson to the Archakship will be reserved for due consideration hereafter, either upon the petitioner's demise, or upon the minor attaining majority and duly qualifying himself for the office.

2. From the concluding part of the Deputy Commissioner's letter above read, it would appear that the petitioner Hariyappa has fallen out with Nilakantappa, since the presentation of his appeal to the Government, and now wishes to appoint another man in his place. But this he cannot be permitted to do. Nilakantappa was first appointed to the office only on the express application of the petitioner to that effect, and on that account Nilakantappa had to give up the School Mastership formerly held by him. As Nilakantappa's qualification and work in the temple are well reported upon by the Deputy Commissioner, it is not desirable to remove him from the Archakship in question, which he should continue to hold on the terms of the preceding para.

Secretary.
